

Artistry in Hanover

bridal contract

Weddings are a compilation of specific details that, when strung together, make up one of the most magical days of your life. The professional and experienced staff at Artistry in Hanover would be honoured to play an essential role in one of the most important details: camera-ready perfection.

Bridal hair services include an initial consultation to discuss various options. This trial appointment is required to ensure perfection as well as to determine the amount of time that will be needed on the day of the wedding. The trial consists of a two-hour appointment and includes up to three styles. If additional time is needed, another appointment will have to be made for a second trial and an additional fee will be charged at the stylist's discretion.

Of course perfect bridal hair is only half of the equation to achieving wedding day perfection. Our professional makeup artists use techniques designed to maximize your beauty while creating a flawless and natural look.

TIPPING IS NOT INCLUDED IN PRICING.

18% GRATUITY WILL BE ADDED TO EACH SERVICE FOR PARTIES OF 7 OR MORE.

STYLE TIP: For both the day of the trial and the wedding day we suggest that you do NOT shampoo or flat iron your hair for the appointment. We also ask that your hair be fully blown dry both days of your appointments. Please pass this info on to everyone who will be receiving services on the wedding day.

A deposit of \$25 per service is required at the time of booking your event. The balance will be processed on the day of the services. Parties will NOT be booked without a deposit.

CANCELLATION POLICY: You must cancel 90 day prior to your event in order to receive a full refund.

If a person in your party arrives 20 minutes or more later than their scheduled time, it may result in the inability to be serviced. In this case, you will still be expected to pay in full. This applies for both the trial run and the wedding day.

We understand that there are always complications surrounding your big day. However, it is imperative that your bridal party be on time for their scheduled appointments so that we may provide you with our full attention. We want your experience to be smooth and enjoyable, but please remember that we work on a fixed time schedule with various other appointments booked throughout the day.

If additional people would like services after this contract is completed, please contact the salon immediately so that we can update and plan accordingly. Please be advised that this may alter the amount of time needed as well as your schedule. Additionally, our stylists may be booked with other appointments or bridal parties that day, and there is a chance that any add-ons may not be accommodated.
